*Wow ... it was anything but chilly  
 at our house of God today.  
 Happy voices and laughter filled the air,  
 of all the young and old at play.*

*Umbrellas, beach balls, beach chairs,  
 kids even making castles in the sand.  
 Sun brightly streaming through the windows,  
 thoughts of Hawaii ... it was all just simply grand.*

*Giggles and shrieks of bouncing kids,  
 playing games ... and doing the hula hoop.  
 Cheers from ones outside playing broomball,  
 or ones on the horse 'n wagon making its loop.*

*Lots were just relaxing, enjoying good conversation,  
 as they listened to a wonderfully played guitar.  
 While others couldn't resist singing their hearts out,  
 on Main Street karaoke ... yes, you can be a star.*

*They say a picture is worth a thousand words,  
 Especially ones posing like you're catching a wave.  
 And with everyone hot from all the running around,  
 flavored snow cones were another hit of the day.*

*Yes ... it's still the middle of winter here,  
 and really it's supposed to be chilly and cold.  
 But I think all the love shared here today,  
 would have warmed up anyone ... truth be told.*

*So if we are the hands and feet of Jesus,  
 Well, today He must have had a blast.  
 Let us hope and pray, for all that came,  
 that that same warmth and love ... always lasts.*
