Let My People Go

Verse 1

You stand for freedom freedom
You stand for justice in this world
So many stolen stolen
Slaves to the shadows of this earth
But these are Your sons and daughters God
And though the darkness seems so strong
Your fire of justice breaks the night
We hear You cry

Chorus

Let My people go, Let My people go
Light a fire in the dark a fire in the dark
Let My people go (REPEAT)

Verse 2

So we'll stand for freedom freedom
We'll stand for justice in this world
All of the stolen stolen
Are never forgotten in Your heart
These are Your sons and daughters God
And though the darkness seems so strong
Your fire of justice breaks the night
We're ready to fight

Chorus

Let My people go, Let My people go
Light a fire in the dark a fire in the dark
Let My people go

(Bridge)

Another stolen life another hidden cry
These are Your sons and daughters God
Trafficked in the night broken by the fight
Rescue Your sons and daughters
Another stolen life another hidden cry
These are Your sons and daughters God
Trafficked in the night broken by the fight
We hear the cry

Chorus

Let My people go, Let My people go
Light a fire in the dark a fire in the dark
Let My people go (REPEAT)

Our God Saves

Chorus

Our God saves our God saves
There is hope in Your name
Mourning turns to songs of praise
Our God saves our God saves

Verse

Hear the joyful sound of our offering
As Your saints bow down as Your people sing
We will rise with You lifted on Your wings
And the world will see that

Chorus

Our God saves our God saves
There is hope in Your name
Mourning turns to songs of praise
Our God saves our God saves

Whom Shall I Fear

Verse 1

You hear me when I call
You are my morning song
Though darkness fills the night
It cannot hide the light
Whom shall I fear
You crush the enemy underneath my feet
You are my sword and shield
Though troubles linger still
Whom shall I fear

Chorus

I know Who goes before me
I know Who stands behind
The God of angel armies is always by my side
The One who reigns forever
He is a friend of mine
The God of angel armies is always by my side

Verse 2

My strength is in Your name
For You alone can save
You will deliver me
Yours is the victory
Whom shall I fear
Whom shall I fear

Chorus

I know Who goes before me
I know Who stands behind
The God of angel armies is always by my side
The One who reigns forever
He is a friend of mine
The God of angel armies is always by my side

(Bridge)

(And) nothing formed against me shall stand
You hold the whole world in Your hands
I'm holding on to Your promises
You are faithful
You are faithful
(REPEAT)

Chorus

I know Who goes before me
I know Who stands behind
The God of angel armies is always by my side
The One who reigns forever
He is a friend of mine
The God of angel armies is always by my side (REPEAT)

I Will Follow

Verse 1

Father always near I wait for You here
Resting in the love that vanquishes fear
Waiting not a care silence ev'rywhere
Yet here in my heart a still small voice
Bids me to come and I will follow

Verse 2

Suffer me to come risen wounded One
I've found shelter in Your fathering arms
Suffer me to hear Your voice in my ear
Beckon me with words that draw me near
Bid me to come and I will follow

(Bridge)

I will follow
Where You want me to
I will follow You

Verse 3

May Your Kingdom come may Your will be done
Father in heaven lift my eyes to the sky
One day I will see heaven's Royalty
Till the day the trumpet rings in my ear
Bid me to come and I will follow

(Bridge)

I will follow
Where You want me to
I will follow You
