40 days **ON MISSION**

LIVE ON MISSION: EVERYONE, EVERYWHERE, ALL THE TIME

This week we will be praying daily for the Caribbean Sun.

Latin America is a fusion of diverse cultures. Even the food is distinct and full of flavours that often compliment each other, yet sometimes compete for your full attention.

That's what it's like there. Politics, socio-economic classes, races and faith traditions merge, collide, compliment, and compete.

The sun greets a lot of things as it rises to its midday heat here – poverty, unrest, persecution, and intensely-held belief systems that often hold people in fear and bondage. But against that backdrop, C&MA International Workers see hope and freedom emerge in the beautiful people they live their lives with every day.

From the diverse and carefully nurtured church plants in Mexico, to outreach programs amidst millions of searching people in Venezuela, Panama, Jamaica, Ecuador, Costa Rica, Aruba, El Salvador, and beyond, C&MA workers are just beginning to tap into the needs amidst the hardest places in Latin America. They see God providing energy, hope and renewal in many corners, yet they are keenly aware of the magnitude of need here. **Pickup a free workbook at the info desk to begin praying for our International Workers.**
