40 days **ON MISSION**

LIVE ON MISSION: EVERYONE, EVERYWHERE, ALL THE TIME

This week we will be praying daily for the Silk Road. The Silk Road is a vast region including Europe, the Middle East, the Arabian Peninsula and Central Asia. The eyes of the world often focus here, as the region shifts and moves, regimes change and political climates heat up and cool down. There are a lot of intersecting borders in this part of the world.

Creativity is the order of the day here. Our workers need to be flexible, adapting alongside their communities. While most of us watch things unfold on the news, our International Workers are immersed in the realities of this huge region every day. They see how average people live their lives amidst uncertainty, yet find solace in faith, hope and love.

In some cases, C&MA workers have the privilege of seeing masses of people receive Christ's life-changing message. Others continually move and work and love in their neighbourhoods, watching God bring it all together on a no less significant, yet smaller, scale. Their roles are vital and you can see their passion for the people on their faces and hear it in their words. **Pickup a free workbook at the info desk to begin praying for our International Workers in this region.**
