

# WONDERING

« How much do you have? »

Someday when I have more time ... If only I were more qualified ... I'd like to but I just can't afford it ... It's easy to focus on what's lacking, what's standing in the way of what needs doing. To focus on the deficit between what you've got and what you need. What difference could it make if you were to shift the focus to what's actually right there in your hand?

- Open with prayer.
- If your groups is new, give everyone time to introduce themselves.

## CONVERSATION STARTERS

- What is the longest you've gone without eating?
- What place would you like to go to that you've never been to before?
