On Easter weekend in DiscoveryLand the Preschool and Grade School children were taught the story of Jesus' death and resurrection. The message of God's salvation plan was shared, and the children were given an opportunity to respond by following along in a prayer of salvation. We asked the children to communicate with their small group leader if they had prayed along with the prayer, and to share this wonderful news with their parents. **96 children indicated that they had prayed and want to follow Jesus! Yay!!** Join us in prayer that these children and their families will grow in their faith and continue to follow Jesus."

- Pastor Crystal Sylvester & the DiscoveryLand Team

"Glory to God for the good work and stories from DiscoveryLand. I remember my son coming back from Preschool during Easter week and telling me all about Easter and how the Easter Bunny hides Easter eggs. **By the time he came out from DiscoveryLand on Easter Sunday, he was telling me a different story without being asked. He told me about how Jesus died on the cross for us all, and he said, "That's what Easter is all about."** That did put a big smile on my face for sure. Praise God!"
