I've been a part of Student Ministries at FAC throughout my time in junior high and high school, and through this, I've been blessed with amazing leadership. I've had Ken as a leader ever since I came to FAC, and he's

been a very important role model to me. Ken was extremely patient; he waited for us to focus, which often took almost all the time we had, then resiliently dug into our lives, pushing us to overcome our reluctance to speak about ourselves. **Ken put so much work into developing my walk with Christ, and making me into a man of God.** Ken will always be the leader and disciple of Christ that I will strive to become.

Josh became the other leader in my small group in Grade 10, and since then I have grown into a close relationship with him. Josh

has become a second brother to me; he is relatable, and fun to hang out with. Quickly after meeting Josh, I was sharing my deepest struggles with him, opening up to him about almost everything. Josh was sympathetic and understanding; he would listen carefully, and give good advice. Josh had a great understanding of the Bible, and referenced it frequently.

What I learned from Ken and Josh will carry me through the rest of my life as a follower of Christ. They were both massive blessings to me, and I thank God for the influence they had on me as I was beginning my walk with God.
