When the flood of 2013 hit Calgary and the surrounding areas, FAC's *Congregational Care* team planned a training meeting for people interested in helping meet the emotional needs of those affected. I had been praying for over a year about where God may want to use me next. Our youngest son was graduating and other commitments were ending when I felt His nudge to attend

this meeting. I wasn't sure what was involved, but I clearly felt God's leading ... so I went. This was the beginning of serving as a Congregational Care Minister (CCM) under Pastor Ray. **Through simply sitting and listening to people in a hospital room or on Main Street, through words of encouragement and through prayers of intercession, I have seen God's power and love for people poured out.**

I asked Jesus into my life when I was young and over the years I have served in many areas. **I must admit though that at first I felt unqualified to come alongside and support someone, but learned through the power of the Holy Spirit and ongoing training, God qualifies me.** I am continually being stretched but in His wisdom and love I minister to others. It is so exciting to be serving the Lord with an amazing, caring CCM team and I can't wait to see how and where He plans to use us. *"For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand so that we would walk in them."* (Ephesians 2:10)
