I was born and raised in Belarus, which is a small country in Eastern Europe to the west of Russia and to the north of Ukraine. I got my degree in linguistics and worked at a public school for 2 years. I loved working with the kids and developed a passion for Christian education.

Around 5 years ago I met Nigel Spencer who at the time was Regional Director for *Teach Beyond*. He introduced me to the vision of the organization, and I was very excited to become their volunteer in Belarus. We started organizing ESL camps in Minsk and they

became a great tool in bringing people to Christ. A team from Canada was coming every year to help us with teaching English and supported this project financially. That's how I got to know many people from FAC who were supporting us in spreading the Gospel in our country.

I love going to LinGo camps and seeing how young people come to Christ and then grow as leaders. Many of the people who came to the first LinGo camp became church leaders and now they serve as counsellors at the camp. LinGo not only provides the opportunity for non-believers to get to know Jesus but it is also a great tool for discipleship and for leadership formation.

In August I'm going to Belarus with an FAC team to offer LinGo English camps for non-believers. We would appreciate your support and prayers!

- Olga Rudenko

Pray for the team as they serve Jul 29 - Aug 10 at an ESL Bible Camp in Belarus!
