OUR MICAH 6:8 PROJECT

When our small group was deciding on what projects to engage in, we all agreed we wanted them to be family oriented. We have 4 families, with 10 children under 7 years. Since Valentine's Day is coming up, we decided to get together to create Valentine cards for the inpatients at the Alberta Children's Hospital. **Not only was this a great night of fun and food (we had a potluck), but it also was a great opportunity to involve our children in serving and loving others.** We made almost 40 handmade cards to share!

This next week, we'll work on coordinating distribution of the cards as well as beginning our second project idea that centres around serving our local seniors. – Scott & Kathryn Linton

We'd love to hear about your Micah 6:8 Project too!
