Since you generously gave on Christmas Eve and continue to give, we have been able to submit 88 more applications which represent 183 individuals. **As of today, we have applied with the help of co-sponsors to bring 195 Syrians safety here to Canada.** Two Syrian families we are directly sponsoring arrived in February and are beginning to settle into their new lives in Calgary! One of the families, the Sabounjis (pictured above), said after arriving, **"We are very grateful and thankful. People have been very kind and helpful. We expect our future to be very safe, secured and blessed."** Through faith and boldness we have been able to respond as a beacon of hope to many families like the Sabounjis. Let's continue to be an example in our ministry to the vulnerable and persecuted refugees of our world. Please continue to pray for the families that have already arrived and the families whose applications are still in process.

"He [God] defends the cause of the fatherless and the widow, and loves the foreigner ..." (Deuteronomy 10: 18-19)
