**Check-In:** Here's a handy hint for signing your kids into DiscoveryLand. When our system asks for a "Pager Number," it's asking for your cell phone number. This is the number we use to contact you if your child needs you during the service or if there's an emergency. So remember, include your **10-digit** cell phone number each time your kids join us. ## INDONESIA MISSIONS TRIP

My dad (Pastor David Klob) and I went to Indonesia for a two week mission trip. This was my first experience in a different culture and I learned a lot about God and the world.

The first week we stayed in Bali for a conference for international workers to gather and worship the Lord freely. My dad and I did the worship leading and I also participated in the youth group with Pastor Jon Caldwell. In that week, I heard lots of stories about God's power and met many courageous people. **God taught me that I can accomplish great things in His love and that I don't have to be afraid of anything.**

The second week we flew to North Sulawesi island to meet Syanda, our Compassion girl that we have sponsored for five years. Compassion is a program for kids in poverty all around the world who need support. We went to Syanda's home and experienced the way she lives. Her house got destroyed in a huge storm and her family had to move into her grandmother's home. It's very crowded and she has to sleep in a very small bed with her grandma and her older sister. They are also quite poor and don't have many things. But **no matter how hard life is for her and her family, they were so joyful and they still trust and keep faith in God.** Syanda taught me that happiness doesn't come from stuff or money, but it comes from the love of Jesus and others.

**Thank you** for praying for my dad and me and giving us support to go on this mission trip!

– Kara Klob
