Grow at Alpha

We have been a small part of Alpha for quite a while and found our lives fuller because of the people we've met and the changes we've seen as people seek to make sense of things. We find so many individuals wanting an answer to the question, "Is there more to life than this?"

Every session of Alpha brings new excitement for what we anticipate God is going to do in the lives of our guests. We get to witness the powerful work of the Holy Spirit as we watch people who are

sometimes very lost or hurting trying to make sense of it all, and others who want to learn more about their own spiritual journey. We love to watch complete strangers building new friendships and our lives have been forever changed by the people God has brought into our path through this ministry.

In every Alpha we see lives being changed – not just our guests' lives, but ours also. **Our faith grows deeper, as we see people come to know the Lord in powerful, meaningful ways.** We have watched God take lives and turn them around, bringing His joy and peace into situations that seem impossible. We have watched as new friendships are formed, many that may well last a lifetime. But most valuable to us is knowing that through Alpha, faith in God is explored, and the message of God's love, healing and the hope that we have in Him is being shared. That's just plain exciting!
