# JAFFRAY OFFERING

Neighbourhood boys come with their friends to play and speak in English each Tuesday. It's a lot of fun and a great way to build relationships that we hope will lead to questions about our hope. Last week we focused on the word joy. Next we will learn all about peace. A group of younger girls have asked if they can come on Wednesdays! **Please pray for these opportunities to be life-changing.**

We had a great couple of days this week being blessed and encouraged by the Patons and the Trasks. It was fun to show them our home and have them pray with us for this city and this island.

Thank you all for the support ... We really couldn't do this without you. **Be prepared for every opportunity you have to give reason for the hope within you.** (1 Peter 3:15)

## ***Kaura-lea Dueck (Thailand)***

Thank you for lifting Thailand up during the Vegetarian Festival (see photo above), the nine days where people honour the nine emperor gods by inviting spirits to possess them while mutilating their flesh in order to make amends for their sins. It is a dark time in Phuket, but we know that Christ's light overcomes darkness. **Pray that the people in Phuket will know the One who was pierced for their sin, rather than asking us to try to save ourselves.**

*Kaura-lea and the Weber family are part of our FAC family, and are among the 214 International Workers/families placed worldwide by the Christian & Missionary Alliance in Canada. **Thank you for giving to the Jaffray offering and supporting the work God is doing internationally through the C&MA Global Advance Fund.***
