

W2W Scholarship Application Form

FAC's vision is to "build lives that honour God" and our passion is to be known more for what we are for than what we are against. Our desire is that every woman in our FAC family with an interest in participating would not be excluded due to financial barriers. To that end, scholarships are available. For confidential consideration by our review team, please complete this form and return to w2wscholarships@facalgary.com. You will be contacted once your application has been reviewed.
