BIBLE STORY

Creation
(Genesis 1-2:3)

BOTTOM LINE

There’s no limit to God’s creativity.

ACTIVITY: Story Sculpting

WHAT YOU NEED: Play-Doh or Clay

WHAT YOU DO: Read Bible story passages: Genesis 1-2:3

- Using the Play-Doh/Clay, have everyone sculpt something that relates to the story
- Challenge everyone to identify the sculpture and how it relates to the story
- Work together to put the sculptures in order of the story

Talk about the Bible Story:

- In the beginning, God created the heavens and the earth. The earth didn’t have any shape. And it was empty. There was darkness over the surface of the waves. At the time, the Spirit of God was hovering over the water. God said, “Let there be light.”
- Let’s try and remember everything God created! Day 1, God separated the light from the darkness, creating the night and day. On Day 2, God separated the water from the sky, and created dry ground. On Day 3, God had the dry ground start to produce plants, which produced their own seeds, and trees were created on the land, to grow fruit with seeds in them. On Day 4, God created the sun, the Moon and the Stars! On Day 5, God created ALL the animals. He created the creatures of the sea, the animals of the sky, and the creatures that lived on the land! On Day 6, God created His GREATEST creation-US!
- What are some of the responsibilities God gave us?
- Adam and Eve, were the first man and woman that God created. He made them in His image, and created them to be like Himself. God created them to show a little bit of who He is. Because Adam and Eve were created in God’s image, so are we!
- God made EVERYTHING in 6 days, what did He do on Day 7?
- From NOTHING...God created EVERYTHING!

PRAYER

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

“Dear God, Thank You for creating EVERYTHING: the mountains and oceans; the sun, moon, and stars; the animals; and US! Thank You for creating people in Your image. Thank You for giving us creativity. Please help us to live like You and show a little of who You are every day. Please help us remember to stop and look around, so we can appreciate the wonderful world You’ve made. We love You! We ask these things in Jesus’ name. Amen”
