

DiscoveryLand Kindergarten & Grade 4 Shuffle!

It's that time of year to do the annual grade shuffle! For the month of June kids currently in kindergarten get to join Grade 1 DiscoveryLand and kids currently in Grade 4 will join the Grade 5&6 class. Click here for more information.

Though this year has been unusual, to say the least, another school year is almost complete, and perhaps your child is already thinking about a new school grade! Our DiscoveryLand team has also been thinking about all the changes your child will be experiencing, and we want to do all we can to help kids in Kindergarten and Grade 4 make a smooth transition to the next program at FAC.

RELAUNCH AND TRANSITIONS – JUNE 12-JUNE 27

For *June 12 – 27, 2021*, Kindergarten kids who will be going into *Grade 1* in September 2021 will attend Grade School DiscoveryLand. Children going into *Grade 5* in September 2021 will go to the Grade 5/6 worship service.

- For June 12-27, sign-in for everyone will be at the upstairs grade school desk.
- The kindergarten kids going into Grade 1 in September will be in the Discovery Theatre with grades 1-3 for the entire service.
- Kids going into Grade 4 in September 2021 will be in the Grade 5&6 Theatre for the entire service.
- *Note:* Parents will still need to sign out their grade 4 kids at the end of the service.

We encourage you to have a conversation with your child to prepare them for this exciting change in June. If you have any questions or concerns, please feel free to contact us at discoveryland@facalgary.com
