What You Need

Paper, crayons

What You Do

Cut your paper into rectangles and color each one a different color. Be sure one of them is red. Spread the rectangles out on the table or floor with the matching crayons in a pile nearby. Encourage your child to match the crayons from the pile to the colored rectangles. Scoop up the crayons, move the rectangles around, and do it again.

Say, "Let's match some colors today! We have a pile of crayons that are all different colors. We have rectangles that are all different colors. Let's choose a crayon from the pile. Can you tell me the color of that crayon? Yes, it is [color]. Let's look for the rectangle that is the same color and put the crayon on top! Let's do another one! *(Continue and repeat if desired.)*

"You are so good with your colors. Can you point to the red crayon? Nice job! In today's story, we heard about a lady named Rahab who helped hide and get the two spies from God's army out of the city of Jericho. What was the color of the rope she hung in her window? *(Pause.)* Yes! It was red just like this crayon.

"God was with Rahab when she was helping the spies and gave her courage. God is always with you, too. **Who is always with you? God is always with me.**"

Prayer

Dear God, You are the best! There is no one like You. Help us remember that no matter where we go or what we do, You are with us. We don't have to be afraid because we are never alone. You're awesome God. In Jesus' name we pray, amen.

God is always with me.
