

Multimedia Audio Producer

30 hours per week (12 weeks)

This job posting is partially funded through the Canada Summer Job Program

First Alliance Church (FAC) is seeking an individual to join their music creative team. This person will work closely with the Music Pastor and the Music Director. The position offers flexible hours, including work-from-home possibility, and will enable a participant to develop, implement, and oversee project-based audio recording initiatives at FAC.

Responsibilities

The successful candidate will be assigned work-related tasks such as, but not limited to:

- Produce original music, including audio tracks for church videos, demos of original songs, and professional music recordings.
- Help to further implement an ongoing, sustainable music production initiative as an expression of the local church.
- Recruit, develop, schedule and manage volunteers to support the initiative, including audio engineers, admins, and producers.
- Collaborate with local church tech department to synergize goals, maximize stewardship of equipment, and ensure cross-departmental success.
- Assist in the creative development of original music ideas.
- Develop our musicians to more advanced skill levels within the context of music production processes.
- Research and collaborate with other churches who have working music production initiatives.
- Other related duties as required.

Requirements

The ideal candidate will:

- Be passionate about music creation
- Be experienced in the operation of DAW software (preferably Ableton, Logic, and/or ProTools)
- Have experience with a wide variety of audio recording techniques
- Work well both independently and in a collaborative creative environment
- Demonstrate strong personal initiative (self-starter) and follow-through
- Possess good interpersonal and communication skills; comfortable initiating contact with musicians to plan and run recording sessions
- Be able to meet deadlines
- Be under 30 years of age

Application Process
