

Technical Arts Associate – Broadcast Sound

(15 hours/week)

To contribute to First Alliance Church's overall vision and mission fulfillment by developing and implementing ministry and strategies for your scope of responsibilities.

General Responsibilities

- Guide the effective implementation of technical ministry plans
- Evaluate effectiveness of programming in job-specific ministry area
- Take ownership of staff covenant
- Maintain a lifestyle consistent with biblical standards for Christian behaviour
- Attend our weekend worship service

Role Specifics

- Provide input and support in the direction of the Technical Arts Ministry
- Provide technical support for weekend services, specifically broadcast sound
- Provide technical support for other ministry-related events as required
- Be part of decision-making team (with the director of Technical Arts) for tech equipment improvement and purchasing
- Run sound or other tech for special events as required
- Attend required staff meetings and functions

3. Breakdown of position:

- Mixing weekend broadcast sound 10 hours per week
- Meetings 1 hour per week
- Support mid-week events, either Wednesday or Thursday evenings 4 hours per week

4. Accountability

The Technical Arts Associate is accountable to and works under the Director of Technical Arts.

Please submit resumes to Paul Nadeau-Bonilla (Technical Director): pnadeau-bonilla@facalgary.com. Posting will remain open until a suitable candidate is found.
